Preface

I wish to thank all those who so kindly helped me get these records together and for Thelma and Ruth who helped with the typing. The early history was taken out of the Frey History and Hochstetler books for which we thank the authors.

I have tried to have the records as complete and accurate as possible but a few failed to answer. No doubt there will be some mistakes. In writing this many dates it is so easy to write them wrong. I hope you will enjoy learning more about your "frind-shoft."

Our grandparents had ten children, five of them still living, including their companions.

There are nine sets of twins in the Uncle Nathaniel family.

I have tried to keep the families together so every name will be easy to find. Numbering the generations:

Phillip Miller will be 1st generation.

His children will be 2nd generation.

Grand-children will be 3rd generation.

Great-grandchildren 4th generation.

Mrs. George E. Hoover

1. PHILLIP D. MILLER Nov. 28, 1852

Son of DANIEL F. & RACHEL (MILLER) MILLER

Born and grew to manhood in Holmes Co., Ohio

Married Dec. 4, 1873, to

1192478

Dau. of ISAAC & POLLY (FREY) MILLER,
Holmes Co., Ohio.

They lived in Holmes Co., Ohio, for 17 years and then on March 28, 1891, moved with their family to a farm four miles east of Goshen, Ind., where they lived until Grandfather died. All the children were born in Ohio except Edna the youngest, who was born after they moved to Indiana.

PHILLIP was ordained a Minister in the Amish church by David Kauffman on Dec. 20, 1903.

After Grandfather died Grandmother had her home at Seth Troyer's, her daughter Lizzie. One of the things I remember so well of her visits to our home was her nice white horse.

PHILLIP died Nov. 28, 1915 age 62 years, 11 months and 18 days.

FANNIE died Aug. 25, 1928 age 77 years and 18 days.
